

3DLabz Animation Studio

71-75 Shelton Street, Covent Garden
WC2H 9JQ

Phone: 0000000000

3DLabz is a globally trusted animation studio with a registered office in London, UK, and advanced production facilities worldwide. Recognised as one of the leading animation companies, we have successfully partnered with clients across London and throughout the UK, delivering impactful 2D and 3D animation solutions. Our talented team combines innovation, design, and technology to create a wide range of services, including 2D and 3D cartoon animation, medical animation, architectural walkthroughs, 3D rendering, industrial and product animation, as well as motion graphics and visual effects. Every project is crafted with precision and creativity, ensuring visuals that inspire, inform, and connect with international

audiences.Website:
